

REMARKS

Claims 1-15 remain in the application. Claims 1, 3, 6, 8, 11 and 14 have been amended.

In the Office Action mailed October 28, 2008, the Examiner found claims 1-15 to be allowable over the art of record. However, informalities in claims 1, 3, 6, 8, and 14 required correction.

Applicants respectfully request reconsideration and further examination of the claims.

Claim Amendments

On page 2 of the Office Action, the Examiner suggested amendments to claims 1, 3, 6, 8, and 14 to correct typographical errors and other informalities in the claims. The following claim amendments have been made as suggested by the Examiner:

Claim 1, line 12, the term "the output signal" has been changed to --the output signal of the quadrature modulator--.

Claim 3, line 2, the term "the output signal" has been changed to --the output signal of the quadrature modulator--.

Claim 6, lines 6 and 8, the term "feedthrough" has been changed to --feed through--. Corresponding changes have been made in claims 8 and 11.

Claim 6, line 10, the term "the in-phase modulation branch input" has been changed to --the in-phase modulation branch input of the quadrature modulator--.

At claim 8, line 5, the term "Is" has been changed to --is--.

Claim 14, line 12, "the output signal" has been changed to --the output signal of the quadrature modulator--.

No new matter has been added by these amendments. In view of the foregoing, applicants respectfully submit all of the claims are in condition for allowance. In the event the Examiner finds minor informalities that can be resolved by telephone conference, the Examiner is urged to contact applicants' undersigned representative by telephone at (206) 622-4900 in order to expeditiously resolve prosecution of this application.

Consequently, early and favorable action allowing these claims and passing this case to issuance is respectfully solicited.

Respectfully submitted,
SEED Intellectual Property Law Group PLLC
